PROFILE

Tushar Sachdeva is a Mumbai-based Director of Photography working across branded content, short films, music videos, promos, talk shows, fashion films, and corporate projects.

A graduate of the cinematography program at Whistling Woods International, he specialises in camera operation, lighting & intentional framing. His work includes projects featuring leading actors and collaborations with major digital platforms and brands such as Tira Beauty, PVR, Spotify & more.

He is particularly interested in exploring long-form narrative storytelling in film and episodic formats, while continuing to work across short-form content.
